

11.5.16

Dear Parents and Carers,

The suppliers Border Embroideries and Tesco are **nearly** ready to process your orders for school uniform for this September. I will inform you as soon as they are able to process your requests. The system for placing orders will remain the same i.e. by following the links on our website homepage.

The wording on the school logo is changing to "Hipsburn Primary School," and this will be the only change taking place to our uniform.

Furthermore, if you have uniform with the "Hipsburn First School" logo, and it is in good condition, it is reasonable to say that children will be able to continue wearing this in September.

If you have any problems ordering new uniform please contact the school office.

Kind regards,

Kevin Moloney
