Headteacher Mr Kevin Moloney

**Girls Football Friendly Match @ St Michael's Primary School, Alnwick.
Thursday 11th May**

05.05.17

Dear Parents / Carers of _____

With the ever-growing emphasis being placed on getting girls involved in sport, I am delighted to announce that a **girls** football match has been arranged with **St Michael's Primary School, after school, on Thursday 11th May.**

The match will kick off at approximately **15:45** and will last for around **40 minutes**. Pupils will need to wear their full PE kit and appropriate warm outdoor clothing, shin pads, trainers or football boots and bring a water bottle. We are hoping to run this fixture whatever the weather!

In order for this fixture to take place we need parents to transport their children and stay with them during the matches to support and cheer on the team. Parents will need to collect their child from Hipsburn at 3.15pm to arrive at St Michael's School no later than 15.35pm for a prompt kick off.

I am fully aware that not every parent will be available to take their child to this fixture; but other friendly matches are being organised with other schools for the remainder of the term, so every child will have the opportunity to take part and compete for the school should they wish. We plan to get as many local schools involved and rotate the host venue each time.

Please complete the reply slip below if you would like your child to play and return to the school office by Tuesday 9th May.

Thanks for your ongoing support,

Gareth Bell
Class Teacher
