Dear Parents & Carers,

The online world is posing an ever-increasing risk to children, and it is important that schools, parents and carers work together to take an active role in teaching children about online dangers. Learning how to act safely when using the internet is an incredibly important part of safeguarding our children.

For over three years the school has been using resources from the National Online Safety platform and you will be familiar with the "Wake Up Wednesday" (and under e safety tab on our website) information that you receive on a weekly basis. NOS (National Online Safety) provide a wide range of resources and training materials for parents and carers as well as for schools.

The resources include Parents & Carers courses, online video resources and weekly guides covering a huge range of topics, including:
