Robots and Wizards Workshop

Dear Parents and Carers,

On **Wednesday 3rd July**, Etal Class will be taking part in a STEM day involving Science and Design and Technology workshops at The Duchess's Community High School.

The day will be led by staff at DCHS and will include two sessions: a workshop on computer programming entitled 'What a Disaster! Robots to the rescue!' and a practical Science session 'How to be a wizard and improve your wizarding skills; Year 6 and the Poisonous Potter Potions!'.

We will leave school at 9.30am and return back for 3.15.

Children will need to wear school uniform and bring a packed lunch with them. If you would like to order a packed lunch for your child please indicate so on the form below.

This is another exciting opportunity to support the transition for Year 6 before September and will allow them to become more familiar with DCHS and to meet children from other schools who will also be transitioning in September.

The cost of the trip is £2 per child. Please complete the attached permission slip and return to the school office by Monday 1st July.

Kind regards,

Miss Gleghorn

.....

Year 6 Robots and Wizards Workshop at DCHS 3.7.19

I give permission for my child to attend the above workshops.

I would like my child to have a school packed lunch:

Please indicate choice of sandwich: Cheese Ham Tuna

I enclose £ towards the cost of the transport

Signed:
