

You Are Amazing!

The PTA were absolutely blown away by the incredible generosity of all our supporters in response to our Christmas books fundraising appeal.

You smashed our target!

We needed to raise £200 to ensure that every child would receive a book this Christmas, but you very generously donated a whopping £465!! The surplus will go towards a much-needed new sports equipment storage unit for the yard.

We would also like to thank Tim Mather and his business v360 North East for their exceedingly kind donation of £500. These funds will also go towards the cost of buying and installing the new storage unit.

THANK YOU!
