Headteacher Mr Kevin Moloney

4.2.26

---

Dear parents and carers,

I have collated some information / reminders below which I hope you find useful.

### **National Online Safety**

'Wake Up Wednesday' guides for parents and schools are available on our website [click here](#)

### **Northumberland Music Workshop Day - Saturday 28th March**

Please see attached for more details and how to book a place.

### **Reception and Y6 Parents ONLY**

Please find attached a letter from Public Health regarding the National Child Measurement Programme for children in reception and Y6. This should take place in February / March, we will be in touch as soon as we have a date. If you do not wish your child to take part, please email the school office.

### **School Lunch/Club Payments**

Please could we ask if you are able to log into ParentPay on a regular basis to keep on top of your child's lunch and club payments. If you are in arrears, could we ask for this to be settled at your earliest opportunity- Thank you.

### **School Assembly Focus**

In assembly over the past two weeks, we have been learning about British Values. The children have explored what tolerance and respect mean and why they are important in our school community. We discussed how everyone's differences should be valued and treated fairly.

**Careers Week-** We are hosting another careers week on the week commencing 3rd of March. A huge thank you to those who have signed up, we are still looking for some more volunteers, please register your interest [by clicking here](#). The children love learning about a wide range of jobs so all welcome. Your session can be short and informal explaining your role and answering the children's questions within classes.

### **Online Safety Training for Parents (Teams)**

The Northumberland ICT and eLearning Dept have developed an online safety session aimed at parents and carers. The session will last around 40-45 minutes and aims to explain:

What children get upto online at different ages.

The four Cs - helping us to assess and identify key risks.

Actions parents can take to help keep their children safe online.

Where they can go for further information and support.
