

**A message for children who took part in the  
commemoration for Piper Laidlaw on Saturday 26<sup>th</sup>  
September.**

Peter Hollins sent a message;

'Thanks for everything. The children made the day very special for everyone. Look out for Monday's Look North and Thursday's Gazette. Lots of pictures on [www.lesburyvillagehall.co.uk](http://www.lesburyvillagehall.co.uk) as well.'

A guest kindly e-mailed;

'We attended the Lesbury activities on Saturday as my father was KOSB. We had a lovely time and when I heard your name I was thrilled to see you and the marvellous children you had with you. They were delightful youngsters and so accurately dressed. I loved the freckles! And the mums dressing up too was so authentic! I am sure you all had a good time too.'
