

## **School Development Plan Summary 2023-2024**

**A summary of the School Development Plan targets as identified by the school and the School Improvement Partner for 2023 - 2024:**

### **Quality of Education:**

- To enable all pupils to develop knowledge retention, conceptual understanding and skills in a progressive, systematic way, so that they remember more in the long term
- To ensure writing skills are consolidated and applied in different subjects, so that the quality of writing across the curriculum is comparable to that evident in English lessons

### **Behaviour & Attitudes:**

- To implement the school's behaviour policy to reinforce positive relationships which are linked to the school's vision and expected learning behaviours

### **Personal Development:**

- To raise aspirations and increase resilience through character education and meaningful opportunities to encounter the world of work

### **Leadership & Management:**

- For governors to articulate how the curriculum is underpinned by the school vision and demonstrate how their actions have a positive impact on the outcomes for all pupils
- Subject leaders to develop their expertise in using strategies that will enable pupils to remember more subject specific knowledge in the long term

**Early Years:**

- To ensure that all subject leaders can articulate the foundational knowledge for their subject builds progressively and systematically throughout early years from age 2
