## Weekly Timetable AUT 1

Please note that we need to be flexible with this timetabling of activities, the children will have a phonics session each day but we will plan the rest the day as appropriate to the children's learning. This may mean that we do things like a whole day of outdoor maths enquiry or extend an activity rather than stick to the timetable slots so as not to stop the child's development simply because it doesn't fit in with a timed session.
