### Preschool Beach School Trip

Dear Parents,

On Wednesday 26<sup>th</sup> June, Preschool will have a Beach School Day.

This session will begin to introduce the concept of tides to children. They will develop an understanding of tides and how they are caused by the Moon and the Sun as well as experience tides for themselves, understanding that there are high tides and low tides. They will create a whale on the beach as a team using natural objects and will explore dunes as a habitat using a range of nature observation techniques.

The children will need, depending on the weather, the following:

- Wellies or boots suitable for walking
- Warm, waterproof coat, layers are good as it can be chilly on the beach
- Sunglasses, sun cream and sun hat
- A small backpack, water bottle, packed lunch (School packed lunches available to order)

This trip will be free, as part of our Beach School programme. We will leave after registration and walk to Alnmouth Beach returning for the end of the school day. Any children on half day session should be collected at 1:00PM From the Alnmouth park.

As we already have permission to take your child out in the local area we only need you to complete the googleform IF you would like to order a school packed lunch.

Any questions please do not hesitate to ask.

Kind regards,

Karen , Jillian and Lucy
