Headteacher Mr Kevin Moloney

Welcome to Reception

May 2020

Dear Parents/Carers

We are delighted to be welcoming you and your child to join us in September! Under normal circumstances, we would invite you into school to attend a parent meeting prior to your child starting Reception but as we are unfortunately unable to do that, please follow the link to our [Welcome to Reception PowerPoint](#) on the school website. It contains important information that we would like to share with you to support a happy and smooth transition for your child.

In this pack, there is a photo booklet of our classroom layout to help familiarise your child with the new environment. Please complete the enclosed forms and return to school at your earliest convenience.

Our website is regularly updated with events and information to keep you up to date with school life: <http://www.hipsburn.northumberland.sch.uk/website>.

For more information about our values and ethos at Hipsburn Primary, please take a look at our prospectus and The Hipsburn Promise: http://www.hipsburn.northumberland.sch.uk/website/school_prospectus/481167. The Hipsburn Promise is reflective of our school values and is what we believe are the most important opportunities and experiences that every child will be offered during their time with us.

If you have any questions or would like any further information about anything please send an email to admin@hipsburn.northumberland.sch.uk

Kind regards,

Miss Gleghorn and Mrs Johnson
