Weekly Information / Reminder Email - Wednesday 10th September 2025

Dear parents and carers,
I have collated some information / reminders below:

National Online Safety

Please find attached the latest 'Wake Up Wednesday' guide for parents and schools. These weekly guides are also available on our website [click here](#)

Class Assemblies

Please see letter attached for class assemblies and preschool 'stay and play' sessions this academic year.

Bikeability - Y5 and 6

Some of Etal class have been brushing up their cycling skills in Bikeability this week. Chris and Felix have delivered an amazing set of sessions ensuring that the children taking part are able to ride their bikes on and off road with confidence. The children have learned a lot and are all aware of the aspects of riding their bike safely, the importance of keeping a bike in good condition and have a better knowledge of road signs and that they are there to make roads safer for everyone. The sessions have been fun, informative and great exercise too!

[Click here to see some photographs of our sessions.](#)

Bikes / Scooters

Please can I remind you that for safety reasons we ask that children and families do not ride bikes/scooters on the school grounds.
