How to work out the cost: For an individual child, each club is full price. In addition, for each full price club, you get 1 club for a sibling at half price. For example, child A is doing cookery (full price) and computing (full price), total of £30.00. Child A is doing computing (full price), sibling B is doing computing (half price), total of £27.00. Child A is doing computing (full price), sibling B is doing cookery club (half price), sibling C is doing computing (full price), total of £42.00.

Pupil Premium: if the school claims pupil premium for your child, this entitles you to one free club. Any subsequent club is payable at the full price. Please note this only applies to those children in receipt of pupil premium - a sibling who is not pupil premium will need to pay full price.

Please return the attached sheet, with payment, to the school office by start of school on **Thursday 19th December**. Cash or cheque payable to NCC. **If clubs are oversubscribed, priority will be given to pupils who have not done a particular club before and then names will be drawn from a hat.** We will notify you of your child's place(s) by the end of the school day on **Friday 20th December**.

Kind regards,
Angie East, School Admin
