Dear Parents and Carers,

I am writing to let you know that whilst school has adequate facilities as a primary and offers excellent teaching, the leadership team and governors are now working on a plan for further school development and investment in resources ready for September 2017.

I look forward to sharing these with you as soon as they have been finalised and in the meantime, I would like to thank you for your patience. Please be assured that our priority as a school is to provide the very best we can for your children now and in the future.

Kind regards,

Kevin Moloney
Headteacher
