

# Lindisfarne Castle Class Suggested Timetable for Home Learning During School Closure

Day	9-10am	10-10.30am	10.30-11am	11am - 12pm	12-1pm	1-2pm	2-3pm
Monday	Reading	Writing	Break	Maths	Lunch	History	Music
Tuesday	Reading	Writing		Maths		Geography	PE
Wednesday	Reading	Writing		Maths		RE	PE
Thursday	Reading	Writing		Maths		Science	
Friday	Reading	Spelling test and writing		Times table test and maths		Art/ DT	

### **Reading**

- Read a different type of text every day (fiction story, non-fiction book, poem, recipe etc.)
- Ask questions about what you have read or have somebody ask you questions
- Read your reading book or another favourite story
- Read a range of traditional tales (Little Red Riding Hood, Goldilocks and the Three Bears etc.) and act them out with puppets or with other members of your family
- Complete any activities sent to you over School360

### **Writing**

- Write a different type of text every day (story, report, diary entry, poem, set of instructions, recount, play script, post card, letter etc.)
- Look over your written work and edit and improve any misspellings or missing punctuation
- Check that you understand what your spellings mean by writing them in sentences
- Complete any activities sent to you over School360

### **Maths**

- Practise your times tables - you can access the 'Multiplication Mountain' quizzes on the school website
- Practical maths activities could include: measuring quantities when cooking or baking, going outdoors to represent, compare and order numbers with natural materials or practising number bonds with dominoes.
- Collect data about your family's favourite colour/ food/ animal and represent it in a bar chart
- Complete any activities sent to you over School360

### **History**

- Research what houses were like in the Victorian era
- Create a fact file about a type of home from around the world (e.g. tepee, igloo, house on stilts)
- Create a history quiz to test your family's knowledge out!

### Music

- Listen to a piece of music you know well. Clap along with the pulse and enjoy!
- Practise any instruments you play
- Compose a piece of percussion music and perform it for your family. (Lots of household items work well for percussion: upturned pots and pans, empty bottles, a jar of rice... the list is endless!)
- Write your own song

### Geography

- Use Google Earth to identify key physical and human features of our local environment, including: beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley, vegetation, city, town, village, factory, farm, house, office, port, harbour and shop
- Revise the four countries of the United Kingdom and their capital cities
- Research a country that interests you

### PE

- Play your favourite sport with a family member
- Try to beat your personal best - this could be for anything physical such as number of skips in a row, how far or high you can jump, how many 'keepy-uppies' you can do... anything really!
- Go for a long walk on the beach with an adult
- Create a circuit around your house/ garden. For example, you could spend 5 minutes at each of the following stations: sit ups, speed bounce, laps of the garden, running up and down the stairs, skipping, burpees.

### RE

- Make a Christian Easter garden or a Buddhist Zen garden out of natural materials
- Research how Sikhs celebrate the end of one year and the beginning of a new year

### Science

- Find objects made from a variety of materials around your house and sort them (e.g. glass, metal, wood etc.)
- Classify the materials by their uses, properties and types - you could sort them into categories such as 'transparent and not transparent' or 'absorbent and not absorbent'
- Investigate the properties of materials that make them suitable or unsuitable for a particular purpose. Why not hold your own investigation into what material would make the best umbrella for one of your teddies?
- Complete any activities sent to you over School360

### Art

- Make a model house using junk modelling materials
- Design your dream home (maybe it could have a slide instead of stairs or a swimming pool!)
- Draw/ paint a portrait, self-portrait or a landscape picture
- Draw and colour your own comic
- Create a piece of outdoor art
