Etal Class at STEMfest - Tues 7th October

WOW! What an adventure Etal had yesterday at the [STEMfest festival](#) at the Vertu Motor Arena in Newcastle.

A train journey and lots of exciting things to investigate. The children were able to gain hands-on experience in an array of different areas of Science, Technology, Engineering and Mathematics. They were introduced to a range of job opportunities that are available in all of these areas. Fun while learning was evident in all aspects of this trip. The children were enthusiastic, asked lots of questions and collected lots of freebies (which went down very well) while they were there. Many thanks to Claire Vass, Barbera Pryer and Jude Dennis for volunteering to accompany us on this adventure.

Your children behaved impeccably and we are very proud of them.

Here's to the next one.

Mrs O'Reilly
