Headteacher Mr Kevin Moloney

4.3.20

Dear Parents,

Alnwick Class Life Science Centre Visit- 2.4.20

As part of our Dinosaur Planet topic this half term, we are learning all about what our planet would have been like when dinosaurs roamed the Earth and the impact on our world today.

On **Thursday 2nd April**, Alnwick Class will be visiting the **Life Science Centre** in Newcastle to take part in a **Fantastic Fossils** workshop. The children will become Palaeontologists and their busy roles will involve; hunting for fossils amongst things that are living, dead and things that were never alive, digging up dinosaur bones, reassembling a dinosaur skeleton, and matching the prehistoric animals to their habitats.

After our workshop, we will have time to explore the different exhibits before returning to school in time for the end of the day.

The coach will be leaving school at 08:40 prompt so please ensure that your child is in school **no later than 08:30**.

The cost of this trip will be **£17** to cover the cost of the workshop, admission fee and the coach. Please note that this is the only paid trip we will have had this year and it has been carefully chosen as a valuable learning experience, enabling children to explore the history, geography and science of our world.

Children should come to school in their normal uniform and will need a packed lunch and water bottle in an easy to carry bag. If you require a school packed lunch, please indicate this on the form below.

Kind regards,
Miss Gleghorn

Alnwick Castle Class visit to the Life Science Centre

I give permission for to go to the Life Science Centre in Newcastle on Thursday 2nd April 2020

- ☐ I will provide a packed lunch
- ☐ I require a school packed lunch (Cheese/Ham /Tuna - please circle sandwich choice)
