Headteacher Mr Kevin Moloney

12th July 2019

Trip to the Life Science Centre on 4th September 2019

Dear parents,

As you all know by now, I will be the year 5 and 6 teacher this coming September. This gives me and the soon-to-be Etal class an advantage, as I know all of the children very well and they know me. Because of this, I have decided that I won't need to do my usual 'getting to know you' activities when we come back in September. Instead, I would like to hit the ground running and go on a trip on the very first day back.

The trip will be to the Life Science Centre in Newcastle to attend their 'Game On 2.0' exhibition, ahead of our new topic all about gaming and programming. As well as looking around and interacting with the exhibition, the pupils will experience a range of fantastic activities such as a visit to the planetarium and the 4D motion ride. We will also take part in a workshop about programming robots called 'Mission to Mars'.

The children will need to wear school uniform and bring a small backpack containing a water bottle and packed lunch (school packed lunches are available to order.) We will leave school at 9.00am and will return slightly later than the end of the school day at around 3.30pm. The cost of the school trip is £14.50, which includes entry to the exhibition, all the activities within the centre, the workshop and the coach fare. Please complete the form below and return to the school office by **Wednesday 17th July**.

Kind regards

Miss Jones

.....
I give permission for my child to visit the Life Science Centre on
Wednesday 4th September 2019.

I enclose £14.50 ☐ (cash or cheque payable to NCC)

My child requires a school packed lunch YES/ NO
(If yes please circle - tuna, ham or cheese)

Signed Name
