

Preschool team

Andrea: Monday-Friday

Jillian: Monday – Thursday

Mr. Moloney: Friday AM

Mrs. Smith: Friday PM

We will also be supported by  
Lynette.

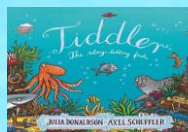

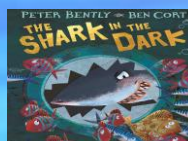

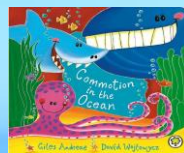

This half term, our theme will be all about summer. We will be exploring different countries and learning about how seasons vary around the world. We will also be discussing what we enjoy doing during the summer months and sharing experiences of holidays that children may have been on or are looking forward to.

We are hoping for lots of sunshine and lovely weather so that we can spend plenty of time outdoors enjoying water play and creating potions in our mud kitchen.

This is a busy and exciting term, with Sports Day and our Stay and Play session taking place. Please see the reminder section of this flyer for all important dates.
