Reading Volunteers

We are so grateful to our reading volunteers for the time and patience they give us here at Hipsburn - you are very much appreciated! We would like to recruit even more members of the school and local community to come into school as reading volunteers.

Reading regularly to an adult has been shown to significantly increase the rate of progress that children can make and, over the years, volunteers such as yourselves have made a huge difference to many pupils at Hipsburn Primary School. Typically, you will work one-to-one, spending time with each child talking about the book that they are reading and listening to them read.

To be a reading volunteer, we would ideally like you to commit to one session per week - this could be for the whole session or just for an hour - whatever you can spare!

The sessions are:

Tuesdays 1.15-3pm

Fridays 1.15-3pm

Please let the office know if you are interested in becoming a reading volunteer and to confirm

which session and times you would be available. All reading volunteers will need to be DBS checked, this will be arranged through school.

Hipsburn Library
