Year 6 Residential 2027

Dear Parents of Year 5 children,

After a successful residential trip to Edinburgh this year I am pleased to inform you that we are in the process of arranging a residential for our Year 6 children to visit Edinburgh again in 2027. This is however dependent on a minimum number of children attending across all of the schools.

The residential brings together year 6 children from a group of local schools who collaborate to provide enrichment opportunities for the children and includes - Belford, Felton, Hipsburn, Lowick, Swarland and Whittingham primary schools.

The cost of the visit will be approximately £300 per child for 2 days of activities and 1 night's accommodation. This year the visit included:

- Coach transport to and from Edinburgh and during the visit.
- All meals, other than the packed lunch provided by parents on the outward journey.
- Accommodation at Edinburgh Youth Hostel (multiple bedded rooms).
- Visit to Dynamic Earth
- Ghost tour
- Visit to Edinburgh Castle
- Visit to Real Mary Kings Close
- Tickets for a theatre show

Please note venues/activities are subject to availability and are therefore subject to change.

At this point we are seeking an expression of interest. If there are enough children wishing to attend an initial deposit of £70 will be required shortly to secure your child's place.

Please complete the [google form](#) indicating whether or not your child is interested by Monday 13th July

Kind regards,
Mr K Moloney
