

School Games

Tag Rugby Tournament Y5/6

It was a dull, rainy day, and all of the year five and sixes were on the coach, heading to the Alnwick Rugby/Football club for a school games tournament. Before we arrived, we got told our teams. There were three: Hipsburn Purple, Hipsburn Navy and Hipsburn Yellow.

When we reached our destination, everyone got off of the coach, and went over to the stand (a large area for seating) for a brief introduction from the DCHS helpers (referees), and the club staff. Every team was given their tags, and sent off to the pitch. Overall, 7 matches were played to decide who would go to the final match. Each team played 5 games, against a different team, from a different school each time.

Hipsburn Purple won every match – with 4+ tries every game. Hipsburn Navy and Yellow lost one match each, taking victory on the rest. For the last game before the final, Hipsburn Navy and Yellow played against each other. This is how yellow got their only loss; being beaten by a team from their own school!

After all the games were played, we were all gathered back into the stand for the results.

Hipsburn Purple and Hipsburn Navy would face each other in the final game.

Though the yellows were slightly disappointed, they followed the other teams, to watch the match; some went back to the coach though (not because we didn't want to support the school, but because it was horrible weather)!

In the end....

HIPSBURN PURPLE WON!

This gets them into the final in Wooler, which they will play on the 23rd of April.

In conclusion, it was a great afternoon only let down by the weather.
