Dear Parents and Carers,

### Proposals for Reorganisation of the Alnwick Partnership

Our Chair of Governors, Amelia Hunter and I attended the Cabinet meeting at Northumberland County Council this morning, where a final decision was made to approve Proposals for Reorganisation of the Alnwick Partnership.

We will now begin planning for September 2016 in relation to our staffing, curriculum and accommodation for the new Year 5 children (and Year 6 from September 2017).

Year 4 children will be offered places in Year 5 in 2016 and then into Year 6 in 2017 (subject to parental preference). A letter will shortly be sent out from the Council's Admissions Team to parents of current Year 4 children.

Kind regards,

Dot Charlton
